SPEAKERS

Introducing...

PETER LAW

Born in Queensland, Australia and raised as the son of a minister, Peter worked as a teacher and principal of Crossway College and pastor of Muller Community Church and is a return speaker to QTKC. Peter loves the opportunity to share God's Word with His People.

Peter, with his wife and daughters, moved to the U.S. in 1982 to continue theological studies. In 1985, he travelled to Eastern Europe to meet with Christians who were persecuted under Communism in Russia and various other former Soviet Union countries. This experience solidified his call to minister to the spiritual and physical needs of the people in Eastern Europe - a ministry focused for many years on Moldova, the poorest of the nations in that region of the world and today on Balkan nations, such as Macedonia and Serbia.

ENGAGE International's vision includes seeing churches established and strengthened in second and third world countries. Peter is challenged by the opportunity to help raise-up a new generation of Christian leaders in South Asia, who will minister both at home and across the global fields for the glory of God and the extension of His kingdom.

Peter and his late wife Margo have four daughters and fifteen grandchildren.

Mission Displays

Over the weekend mission organisations will have static display stands presented and representatives will be available for information.

Introducing...

TIMON BENGTON

Timon graduated from Dallas Theological Seminary with a master's in theology in 2006. He served as an associate pastor in Perth for four years before becoming the Senior Pastor of Oakden Baptist Church in Adelaide.

Timon spearheaded the establishment of the City Reach Family of Churches and worked as its director, promoting church planting. He also served as a state advisor for Overseas Christian Fellowship and taught at the Barnabus School of Leadership in Nepal. After leaving City Reach in 2021, he briefly served as the Leadership Development Manager at Queensland Baptists before becoming the state director for the Christian Community Churches of Queensland in 2023.

He enjoys rugby league, chess and spending time with his wife and kids. He has a passion to see every Christian become a disciple maker and to see churches plant other churches. He has been married to his wife Tegan for 29 years and they have five daughters, one son-in-law and one grandson.

What is the purpose of the Convention?

The purpose of the Keswick Convention is to provide people of North Queensland with the opportunity to hear well gifted and experienced speakers address the issue of living a holy and victorious Christian life in this present world. It is a wonderful opportunity for Christians of different denominations to share fellowship and ministry together under the banner of "All One in Christ Jesus".

The Queensland Tropics Keswick Convention is an interdenominational event that is run by a committee of Christians from evangelical churches around Far North Queensland and is a non-profit ministry.
