#### PETER LAW

Born in Queensland and raised as the son of a minister, Peter worked as a teacher and principal of Crossway College and pastor of Muller Community

Church and is a return speaker to QTKC. Peter loves the opportunity to share God's Word with His People.

Peter moved to the U.S. in 1982 to continue theological studies. In 1985, he travelled to Eastern Europe to meet with Christians who were persecuted under Communism in Russia and various other former Soviet Union countries. This experience solidified his call to minister to the spiritual and physical needs of the people in Eastern Europe.

ENGAGE International's vision includes seeing churches established and strengthened in second and third world countries. Peter is challenged by the opportunity to help raise-up a new generation of Christian leaders in South Asia, who will minister both at home and across the global fields for the glory of God and the extension of His kingdom.

Peter and his late wife Margo have four daughters and fifteen grandchildren.
